## Dakota Johnson: Anastasia Steele's Headspace was Boring

**Dakota Johnson** sits outside of Fred Segal Mauro Cafe chatting on her cell phone for an hour on Friday afternoon (February 28) in West Hollywood, Calif.

The 24-year-old actress is starring as Anastasia Steele in the highly anticipated movie *Fifty Shades of Grey* and she recently chatted with *Vanity Fair* about preparing for the role.

"A lot of getting into the character's head, in Ana's headspace before she meets Christian, so it's a lot of reading, which I love," **Dakota** said. "She's an English major, so that's kinda boring."
