## FIT FOR A FOODIE

### MAURO CAFE, LA

Watch celebs stroll by as you sip on a cocktail and enjoy a light lunch at Mauro Cafe, the hip and trendy dining spot at Fred Segal's on Melrose. This sophisticated setting on Melrose draws in people from of all walks of life. From hipsters to fashion forward socialites the comfortable café setting and upbeat ambience combined with outstanding food is a local staple. The ample amount of parking spots will shock you as it is extremely rare to find that in the Hollywood area!

A favorite amongst business owners, artists, and celebs keep this breakfast, lunch, and dinner spot hopping. To see and be seen, grab a spot on the outdoor patio area or join all the action with a seat inside. The classic Italian fare menu items are created with the highest-quality, local ingredients for a culinary experience in a spectacular setting. Signature dishes include items such as the Penne Arrabbiata with Black Tiger Shrimps and Chicken Balsamico with Sautéed Potatoes and Seasonal Vegetables (one of our personal favs). The location also offers a juice bar/café in the back serving pastas, sandwiches and fresh smoothies to go plus a full bar within the restaurant. After a visit to Mauro Café we know you will agree; this restaurant is a must when parading the streets of Melrose.
